## About our camps

Our camps are ideal for children from 4 to 8 years' of age and are designed to stimulate curiosity and inspire creativity through a range of art, craft, cooking and music projects. Whether they are carrying out giant science experiments, rehearsing a musical performance using home-made instruments or designing and building a giant cityscape from cardboard boxes, our experienced camp leaders guide children to build relationships, learn social skills, practise problem-solving and teamwork and above all, have fun!

Drinks, snacks and lunch are provided and independent 'what if' thinking is strongly encouraged!

## Important stuff

Camps are open to members and non-members.

Camp sessions will run Monday to Friday from 14th to 18th December. Camps will start at 10.30am and finish at 4.00pm. Early drop-off and late pick-up options are also available.

To reduce risk of Covid-19 transmission we must keep children within consistent 'bubbles' throughout the week, so we can only accept full-week bookings, rather than being able to choose specific days each week.

Please note that camp will only proceed subject to sufficient demand. Full payment in advance is required to secure a booking. If we have to cancel a week's session we will notify a minimum of seven days prior to the start date and offer a full refund. We do not offer refunds should you choose to cancel your booking. However we will consider individual circumstances upon provision of a medical note or if you or your child are unwell and needing to isolate as a result of Covid-19.

Our camps can get a little messy, so please make sure your little ones aren't wearing their best clothes.

We offer drinks, snacks and lunch (and breakfast / tea for early / late pick-up). Our kitchens are nut-free but please let us know in advance of any allergies or dietary requirements.

This timetable is subject to change at any time.
